

County Training Plan 2007

Department of Homeland Security Required Training

The Department of Homeland Security has identified training requirements for our jurisdictional response personnel. This includes NIMS Training and ICS 100 training for all personnel. In addition, responders with a leadership role must be trained in the National Response Plan, and ICS 200-300-400.

Assessment, Required Training

Course	# Requiring Training by Discipline	Number Trained	Number needing Training
